OBJECTIVE

I am a diligent, focused Computer Science student seeking an internship where I can apply my knowledge in computer programming, and gain working experience in the Computer Science field.

EDUCATION

Aug 2019 - Expected May 2023	University of Texas at Dallas	Richardson,Texas
	BS in Computer Science	

EMPLOYMENT

Part Time 2018-2020	Carpet Stop	20 hrs./week
	Employee	12 weeks/year

- Spent my time pulling carpet pad for installer's jobs every morning, managing the showroom, cutting samples for customers, and filing job reports.

TECHNICAL SKILLS

Languages	:	Java, C++, JavaScript, Python, HTML, CSS
Operating Systems	:	Windows, Unix, Linux
Frameworks & Tools	:	React, Sass, Git, GitHub
Other	:	Photoshop, Illustrator, Adobe XD

RELEVANT COURSES

- CS 3345 Data Structures & Algorithm Analysis
- CS 4347 Database Systems
- CS 3377 C C++ Programming in a Unix Environment
- CS 2337 Computer Science II
- ECS 3390 Professional and Technical Communications

VOLUNTEER WORK

Aug 2015-May 2019	Young Men's Service League	1 hr./week
	President (2016) & Member	40 weeks/year

- As President, planned and led weekly meetings and service opportunities, and gave the end of year banquet speech.
- In addition to weekly meetings, I spent many weekends serving in the local community alongside my mom and friends.

ACTIVITIES

Aug 2020-May 2021	ACM (The Association for Computing Machinery) member
Aug 2020-May 2021	IEEE member

HONORS & AWARDS

2020-2023	UT Dallas Academic Excellence Scholarship Recipient
Jan 2018-May 2020	National Honor Society

- Awarded for maintaining a 90+ GPA in High School and completing community service hours. Also served as the Parks and Rec committee chairman.

2019	Adobe Certified Associate - Photoshop
2019	AP Scholar with Honor
